

Elisabeth Ference, MD

Elisabeth Ference is an award-winning, widely-published expert in otolaryngology. She treats all diseases of the ears, nose and throat. She has a special interest in sinus and skull base disorders, including minimally-invasive sinus procedures such as balloon sinuplasty and nasal valve repair. She has received extensive training in allergy and immunology, and advanced training in endoscopic sinus surgery and skull base surgery. She has been named a Top Doctor by both Los Angeles Magazine and Pasadena Magazine. She is dedicated to improving the quality of life of both adult and pediatric patients with sinus problems and allergies.
